THE 1974 BULLDOG

presents

400  
Growth

"Dare to venture into the world; to explore; to dream; to accomplish; and in the process, to mature, for the world belongs to those who seek it."

O, Sweet Youth, the  
whole world beckons.  
"Come forth," It says.

Institutions are the lengthened shadows of men — men of foresight and initiative who have dared to venture forth; to dream; to foresee; to initiate; to accomplish; and to realize these accomplishments.

Our Board of Education, administration, certain Special Services personnel, and principals were instrumental in anticipating our growth and in providing for its needs by initiating Phase IV of our building program.

District Superintendent Miller and Plant Engineer Helton carefully reviewed the blueprints of Phase IV.

After Phase IV was put into effect, it resulted in a completely new and spacious building, which houses a large classroom wing, a fully-equipped Cosmetology department, a Bulldog blue locker room, a handsome gymnasium, and a second-floor library.

Industrial Arts facilities account for part of the space in the new Vocational Building. There are classrooms for metal shop, woodworking, vocational agriculture, industrial cooperative training, and auto mechanics.

Remodeling of the photo lab, cafeteria, and other areas was still another facet of this program.

This expansion was further effected by the guiding hand of Curriculum Director New, who is keenly aware of curriculum needs.

Mr. Miser and Mr. Schuchardt, with whom student needs are always uppermost, gave invaluable direction to the building project.

This expansion effort, which was designed to provide for our development, has helped to accommodate the class new to campus this year — the 158 freshmen. (Here Mr. Mitchell concerns himself with their future.)

An increased faculty of seventeen and an especially enriched vocational curriculum in auto mechanics, woodwork, and cosmetology are helping to meet the students' needs.

As we have alluded to earlier, men have responded to the world's beckoning, and they have responded well. They have planned and provided for it.

It would be well for us to emulate them and surpass them in their achievements if we might think so boldly.

We, Youth, feel that we, too, have begun to venture forth and accomplish. True, 'tis a struggle as we go through various stages of growth; yet we do grow — individually and collectively.

During our Freshman year we began to experience the much-longed-for life of independence. However, we soon learned that this new freedom was accompanied by confusion, a lack of know-how, and insecurity.

Since youth is a wonderful period of great physical, mental, and spiritual energy and yearning, we did not remain dismayed over some of our growing experiences.

With the enthusiasm kindled during our Freshman year, we entered into our Sophomore year. Confusion, doubts, and insecurity began to fade. We began making a place for ourselves.

By the time we became Juniors, we were really involved in classwork, organizations, activities, and a search for identity. Exactly who were we? We were asking for a clear image.

Sparked simply by the joy of being alive, we began the Senior year with a renewed awareness: Suddenly everything was important all over again. After twelve years of hard work, everything was ending and, at the same time, everything was beginning.

Hey, look at me! I can write cursive!

Time is precious.

Boys' State and Girls' State Finalists — Seated: David Keener and Debbie McReynolds. Standing: Peggy Buller and A. J. Dike. Not Shown: Debra Barber.

Homemaking student Delores Cummings is the District Champion of the "Make-It-Yourself" contest.

Acceptance of responsibility.

High School Student Basketball Coach Mary Mansel teaches Middle School player the fundamentals of guarding.

VICA Blue Ribbon Winners Become State Qualifiers — Danny Jones, Strum Cossey, Joe Siler, David Drake, and Larry Pena.

Terri Kornegay — All-Star Basketball player.

Somewhere, somehow, along the way, we, Youth, find our niche — we belong! Through this belonging, we participate; we relate; we achieve; we mature.

Several groups have evidenced real growth: tangible and intangible. These we especially salute!

The Football Maids enthusiastically support our athletic program through numerous fund-raising projects.

The relatively newly-organized Bulldog Brigade has doubled in size and quality in a short two-year period.

Art continues to concentrate on excellence. During Mr. Smith's eight-year tenure, the department's floats alone have placed six times in county competition, winning, and very deservedly so, First Place, not once but twice!

An unusually choral-minded group is the Choir, which has not only captured twenty of the possible ninety-six positions in the Southern Region but also has produced eleven Area Candidates — a coveted number unsurpassed by its competitors.

Obviously exuberant over another victory was our Girls' Basketball Varsity Team — a team which had just won its twelfth consecutive game playing against the 1973 State Champs at this time, who readily and admiringly classified our team as the "quickest one" they had ever encountered.

Carma, you're what?

Yardley Kennedy played the streaker.

The one and only Gazoo Band!

The first annual Shave-a-thon at SHS.

# Senior Action

Senior Choir and Band members sing the school song for the last time.

You'll never guess what I'm going to do after graduation.

Do no evil; speak no evil; see no evil; hear no evil.

Sue Payne conquered at last!

## Sweeny Rains Out La Porte, 12-6

On a rain-soaked field in La Porte, Sweeny picked up its first district win. The first score of the game came from a nine-yard pass by La Porte to cap off a sixty-four yard drive caused by a Sweeny fumble in the second quarter. Sweeny came back in the same quarter after the kickoff to finish off a sixty-five yard drive with a bruising twenty-three yard run by Leroy Jones. It was tied the half: 6-6. It was tight the third quarter, but halfway through the final quarter the Bulldog defense pushed La Porte back to their thirteen. After the punt, taking over on La Porte's forty-one, the Bulldogs ran it down to the 6. Stockman threw one of his 3 passes to Helmbeck, the TE, for 6 more points to win the game, 12-6.

## Sweeny Rolls Over Hitchcock, 23-14

It was the second district game of the season. Hitchcock scored twice first and last. Sweeny was sluggish, but the first Hitchcock score ignited the Bulldogs. Jones scored first on a six-yard run across the goal line. The next score came when it was four down and seventeen yards to go. Keener dropped back. Brooks took a short snap and raced fifty-four yards for a score. In the third quarter Nelson kicked his first field goal of twenty-five yards. On the kick-off Austin recovered a fumble. Jammer, being sandwiched between two defenders, made a touchdown grab. Hitchcock scored once more. Sweeny gained 273 yards to go by Hitchcock, 23-14.

## Sweeny Drills The Oilers, 21-7

It was a packed crowd on "Dad's Night." The Bulldogs were about to go against the Pearland Oilers. The Bulldogs overcame a terrible first quarter with four turnovers and a nullified score. Sweeny got on the board first with a one-yard sneak by Stockman, ending a sixty-eight yard drive. The Oilers got their only score on a six-yard run in the second quarter. The Bulldogs came back the second half with two scores and with a great defense. Both were scored by Williams on a thirty-yard pass from Stockman and a fifteen-yard gallop to the end zone. Sweeny had a great game with 326 yards total offense to beat the Oilers, 21-7.

## District Football Action

### Sweeny Loses Squeaker

An overflow crowd of 6,000 witnessed the age-old rivalry between these two teams. Our cross-river rivals barely managed to pull this one out. Sweeny scored first on a twenty-four yard field goal from the toe of Rodney Nelson, in the second quarter. Up until the fourth quarter, it was a very grueling defensive standstill. It was in the fourth quarter that Columbia was stopped in Sweeny territory with a fourth and twelfth. West Columbia stunned the hometown crowd by completing a touchdown pass and added the conversion, thus making the final score, 7-3.

### Sweeny Stomps Santa Fe, 47-0

For the last game of the season, Sweeny traveled to Alta Loma to meet the Santa Fe Indians. Sweeny scored 7 times the first quarter, which was on a fifty-nine yard gallop by Williams. Next in the same quarter Jones ran thirty-five yards for a Sweeny score. In the second quarter Edison went a short 5 yards for 6 points. Then Chester Brown went in for 6 more points. With only a few seconds left, Higgins intercepted a pass and scrambled sixty-four yards as time ran out. Two scores came in the second half: One in the third quarter by Stockman on a seventeen-yard run and the last score came on a Stockman to Helmbeck pass of 10 yards, which made it a good season closer, 47-0.

# Sophomores

Class Officers — Standing: Jim Stevenson — President, Mark Austin — Chaplain, Sammy Brooks — Vice-President. Sitting: Pam O'Neal — Parliamentarian, Mary Kay Robinson — Treasurer, Robbie Childs — Secretary.

Jack Parker proves that all males are not chauvinists.

I just don't know what to think about it . . .

Robbie Childs demonstrates the art of blowing.

# Sophomores

What a bore!

Hey, isn't somebody missing?

Hmmm, let me think it over . . .

Gosh, how did they ever talk me into this?!

## Action

What's so funny, Cindy?

Kids in Middle School really have strange dances.

Is this the Friskies or a police line-up?

Has it been that bad of a day, Coach Pantalone?

Is it Fonsie or is it Glen Hooker in disguise?

Is he really a devil?

Art is always fun even if it is a little messy.

# Western Day

Could it be Pocahontas?

What are you doing now, Toinette?

Everyone had fun with the "quikdress."

Roping was one of the games played during Western Day.

Come on Vicki — win!

Mayberry, John Maxey, Ronald Koether, Greg Finley, Barry Murhude. Standing: Mark Linscomb, Coach Taylor, Philip Rachunek, Mike Follett, Gary Wells, Garry Good, Glen Hooker, Clay Orr, Eddie Kotis, Brian Whittset, Scott Boren.

Everyone was waiting for the trophies.

Sweeny's ahead in this one.

Broadjump was just one of the activities in the track meet.

# 8th Grade Basketball

Sitting: Dana Walker, Mary Ellen Gutierrez, Kelly Brown, Lori Schneider, Gayle Jammer, Debra Hendricks. Kneeling: Stacey Hutson, Patrice Glick, Cathy Sanders, Patsy Joice, Tammy Pettigrew, Michelle Randon, Teresa Batson. Standing: Cynthia Jammer, Edith Bailey, Frances Smith, Cathy Mitchell, Donna Flickinger, Cindy King, Gay James, Mary Ruth Rhodenbaugh — Coach.

Patrice Glick and Donna Flickinger have a mad scramble for the ball.

Donna Flickinger makes her way down the court.

Get that ball, girls!

The girls listen attentively as the coach talks.

We are trying to put childish ways behind us. We want to be more independent. It is true that we, too, still smile without any reason, but we are beginning to develop a sense of humor and wit!

## Intermediate

This P.E. class seems to enjoy playing volleyball.

The Music Department sings for an assembly.

A class shows off their geography projects.

You must have a sweet tooth!

Some kids never grow up!! (Mrs. King, Mr. George, Mrs. Nairn).

Is it really Peppi Longstocking?

# Action

We'll give you three guesses as to who we're dressed as.

Dress-up day is really enjoyed by all. Right, Cindy?

Isn't Miss Williams the cat's meow?

Mrs. Frankum's class really works hard when she watches!

Gym dollies really win over other sports.

Don't shoot . . .

Mrs. Koonce and Mrs. Luedtke seem to want to change their identity.

Youth — our most valuable natural resource — How beautiful it is! How brightly it gleams! How hungry, curious, eager, energetic, and optimistic it is! As someone has so aptly said: "Children see the world the way the morning brings it back to them — new and born and fresh and wonderful!"

# Primary Action

One of the Primary Classes hard at work.

Santa Claus and his elf joined in the Christmas play.

Nobody cuts in *this* line!!

And we're off to see the wizard . . .

The masked man — and woman??

A typical assembly at Primary School.

## Retirees

Mrs. Carrie Rudd — First Grade — 41 years service.

Mrs. Verona Honea — Cafeteria Manager — 21 years service.

Mrs. Ethel Looney — Fourth Grade — 29 years service.

Mrs. Issie Steele — Kindergarten Aide — 18 years service.

"God's finger touched him, and he slept."

Tennyson

In memory of these persons who are no longer physically here:  
Joey Black, Diamond Holloway, and Sidney Chambers.

# Yearbook Staff

The Staff is very much pleased to present for you moments to remember — moments to treasure.

The Staff is also very grateful for all the behind-the-scenes understanding and help it has received from many persons!

Yearbook Staff — Seated: Cathy McReynolds (Editor), Sue Payne (Photo Editor), Karen Larson (Business Manager), Carolyn Clinton (Layout Editor). Standing: Co-Sponsor Mr. Swan, Julie Hughes, Pam O'Neal, Edna Mansel, Darla Finley, Rhonda Finley, Tammie Smith, Esther Cisneros, Lisa Nash, Co-Sponsor Mrs. McLelland.

Cathy, Karen, and Sue, the only regular Staff members, get some help from Anthony Graeber as the Staff finally moves into a place of its own — the old Photo Lab. Mrs. McLelland and the Staff "core" plan the yearbook as Mr. Swan looks on.

Lisa and Cathy wasted no time in putting up one of the many posters advertising the sale of the '74 Yearbook. Three young ladies were happy to have the customers "step right up."

This was one of those hectic Activity Periods when our "regular three" and the part-time staff discussed assignments.

Bryon Sunderman and Roger Roades, non-staff members, graciously conceded to work up a large portion of the Sports Section.

Edna Mansel, Tammie Smith, and Esther Cisneros are busy discussing appropriate captions.

Carolyn Clinton was working the cropper "over-time" around shipment deadline time!

These girls were "going strong" meeting one of the deadlines!

A few members of Mrs. McLelland's sixth-period English class were instrumental in securing vital information for the yearbook theme.

Without the Photography Lab, under the direction of Mr. Swan, the yearbook just "wouldn't be."

Anthony Graeber is positioning the Photogenic Set, which provides quality lighting for posed pictures. Craig Harrington is making the final adjustments for this shot.

The developed negatives are being dried in the heated cabinet under the careful eye of John Snowden.

It is not uncommon for Alan Autenrieth to honor a yearbook request to enlarge a picture.

Pat Murphy and Bill Vautrain are completing the development of a print.

Yes, we have grown. We have grown physically.

We have increased in number.

We have learned to reach out to others.

As a result of this growth, We, Youth, the hope of your day, face the future, undaunted!
